

February Classes at **Robbins Lodge Park**, 4005 S Hiatus Rd, Davie, FL 33330

HOLD YOUR HORSES Six weekly 50-minute classes \$150*

Saturday mornings from 11:30 a.m. – 12:20 p.m. starting February 7, 2015

Teaching dogs to control themselves is a big ticket item in dog training. We want our dogs not to jump on people, not to pull on leash, not to jump over us to get out of the car, not to run out the front door or away from us when called. That's a lot of nots! If you'd like your dog to "hold his horses" and learn to control his impulses, this is the class for you. Students must bring a hungry dog and motivating training treats to class each week.

HOUSETRAINING 123 One 90-minute seminar \$35*

Sunday morning from 1:00 p.m. – 2:30 p.m. February 15, 2015

This is an interactive seminar where all the steps a dog owner needs to housebreak a dog will be presented. Myths will be dispelled and replaced with humane housetraining methods. Students will leave class with a training plan in writing to potty train any healthy puppy, adult or senior dog, and even a marker. Do you have a dog who won't eliminate outside or on a walk, but returns to do his business in the house? We'll discuss how to fix that, too. Anything regarding housetraining is fair game for this seminar. Participants should bring questions, but please leave dogs at home.

** \$10 will be deducted from the class fee for those students who are residents of the Town of Davie.*
